DERMATOLOGY

## AESTHETICIAN JOB DESCRIPTION

# Who We Are

At Skin Wellness Dermatology, we offer cutting-edge dermatology services and procedures that treat all of your skincare needs.

Our certified dermatologists will listen to your concerns and offer the individualized, high level of patient care you seek. We believe in making care accessible and affordable, and we will go out of our way to accommodate your visit.

## Our Mission

Our mission is to provide comprehensive, state-of-the-art care in medical, surgical and cosmetic services in a warm, inviting, and innovative office environment.

***“We believe that you deserve to love the skin you’re in; and that you should accept nothing less than having healthy skin, hair, and nails so you can feel and look your best every day.”***

# *A Day in the Life*

**Your mission** is to enhance each patient's beauty and confidence by using the most innovative tools and devices to provide healthy, glowing skin.

- You create relationships with every patient to promote excitement about our culture, products, services, and you go above and beyond to exceed their expectations.
- You ensure that every interaction a patient has with us is smooth, relaxing, uplifting, educational and beneficial.
- Develop and maintain knowledge of our products & services.
- You prepare all materials and supplies needed for each appointment.
- You perform treatments including various lasers, chemical peels, Hydrafacial, PRP, Coolsculpting.
- You share exemplary product and service knowledge in every patient interaction, through treatment education, expected outcomes, and post care instructions in a way that is relevant to each patient.
- You maintain a clean and organized treatment room + proper working order for all equipment.
- You monitor and maintain adequate inventory levels.
